CCW/KU is a program that provides Before and After School childcare that is looking for energetic, responsible and reliable individuals. Our program offers a wide variety of experiences for the children. These include: science, language, nature study, arts and crafts, cooking, indoor/outdoor games, as well as supervision and assistance with homework.

CCW/KU is an excellent program that will enable you to gain experience in working with young children, as well as experience in planning and implementing fun and exciting hands-on activities.

Please contact Joanne Saporta at (914)238-3295 for inquiry.
