

KLC School Partnerships

Tired of working Nights and Weekends? Looking for a position where you can make a difference?

Knowledge Learning Corporation School Partnerships is a fast growing company that provides before and after school enrichment programs in schools throughout the nation.

This position is responsible for the daily planning and implementation of the curriculum; communication with parents and school personnel; recruiting new students to the program; and daily financial paperwork and maintaining records.

Qualified candidates must demonstrate knowledge, training and experience to fulfill the responsibilities of the position. This will include, but not be limited to, experience working within a childcare or education setting, outstanding interpersonal skills, and some financial management skills.

Candidate must meet state requirements for the position. A Bachelor's degree is required or at least 1 year experience working with children in a structured environment.

Candidate must be capable of bending, crouching or kneeling at children's level and be able to lift children weighing up to 50 pounds. Candidate must also be able to reach at and above shoulder height and must be capable of frequent changes of position throughout the work shift. Candidate may be required to drive van with children.

Indoor environment for the position is typical of a childcare/ school setting. Candidate may be required to be outdoors for short periods of time.

KLC School Partnerships offers a creative and challenging work environment, competitive compensation and a comprehensive benefits package, including childcare discounts, 401(k) and tuition reimbursement and more.
