

Child Development Center

Child Development Center is a NAEYC accredited preschool center licensed by the Early Education and Care and provides year round full day, early childhood education. Our program encourages continuous learning and growth experiences.

We are looking for two EEC certified teachers for our Preschool and Pre-Kindergarten classrooms. You will be the lead teacher in the classroom and the responsibilities include planning and implementing age appropriate curriculum, establishing positive relationships with parents and families, providing a stimulating environment for children in their classrooms and other related duties assigned by the director.

Salary is commensurate with experience and education. Excellent health and dental benefits offered. If you would like to learn more about the center please visit our website at www.cd.edu.us or if you would like to e-mail your resume or schedule an interview, please contact Courtney Adamowich at c.adamowich@cd.edu.us or 781-674-2595
